For 18 years now, the Tayih Landis Tainan has been Tainan City's premier five-star international hotel. Located in the lively city center, the hotel not only serves as a popular meeting place, but has also hosted nearly 1,000 banquets and international events. For the people of Tainan, Tayih Landis has created beautiful and unforgettable dining experiences. From the familiar spread of a Tainan wedding banquet to the detailed process of a traditional southern Taiwan wedding, our guests have all been resoundingly pleased.

Our banquet team provides a full range of services for wedding banquets—from giving tours of our facilities to offering suggestions on menu planning and the overall banquet process. Experts in both the software and hardware aspects of the hotel, our caring and considerate banquet team provides the perfect service to every guest! Tayih Landis Tainan is proud to have Tainan's most experienced team of banquet professionals, each with over 10 years of experience. They are constantly focused on providing efficient and comprehensive planning, so guests can rest assured.

A successful banquet requires a high level of cooperation and communication between the banquet team and the kitchen. In addition to ensuring the quality of every dish, the kitchen must work with the waiters and waitresses to control the timing of service. The banquet team must account for the event itinerary, the A/V system for music and speeches, lighting changes, and more. Every service procedure must be clearly connected and properly arranged by the banquet team. And if any guests are staying at the hotel, even more arrangements must be integrated. This is the service power of the Tayih Landis banquet team!

Every wedding deserves tailored service. Anna, assistant manager of our banquet team, once served a bride named Ms. Chen. The bride's parents booked the venue, but she was unable to visit the hotel because she was living in Australia. So Anna used Line to contact her directly. In addition to photos of the venue and the details of the hotel service, Anna enthusiastically

discussed the wedding emcee, musicians, floral arrangements, the sticker machine, and more with the bride. The wedding banquet went smoothly, and Ms. Chen was very thankful to Tayih Landis Tainan for helping to create one of the most important and beautiful memories of her life. After the wedding, Ms. Chen specially gave a baby gift to Anna, who happened to be pregnant at that time. This made the booking team very happy. Moreover, a guest at Ms. Chen's wedding was so moved by the event that she decided to hold her wedding at Tayih Landis as well! We will continue to use our years of experience to serve and provide professional consultation, and realize the dream wedding of every guest. ♪

尋找古早味的百年六角樓 DISCOVER THE ANCIENT FLAVORS OF TAICHUNG SECOND MARKET

站在台中最高的飯店前，仰望天空映入眼簾的是高聳入天際，外觀有如振帆待發的銀色帆船—台中亞緻大飯店；搶眼獨特的外形除了成為台中城市的時尚標記，玻璃帷幕及兩側弧形的設計，從高空鳥瞰彷彿一條魚，悠游於這座步調相對緩慢的城市裡。

在這高樓林立的城市當中，有個佇立在台中舊城區的百年建築-第二市場，很多台中人在學生時代或離家返鄉，總會從台中火車站繞來這品嚐小吃；嫁娶的金飾、配件，也可以在這找到好貨；年節的糕粿、三牲四果，家中長輩總特地從這買回去。其實，它的生命軌跡，一直隨著時代，扮演著不同角色。

時光回溯到日治時期的第二市場，位在城市中樞的它是座「貴婦市場」，選用高檔服飾、商品，服務著日本人或本地商人。建築內的通道則成六角放射狀，橫向則有環狀通道相連，如同蜘蛛網般的通道，在當時可是相當時髦的設計。而在市場的中心，是座二層樓高、紅瓦砌成的六角樓，在日治時期，只要有火災發生，六角樓的鐘就會響起，作為防災警示。

到了現今的第二市場，留存下來的百年痕跡，正是城市的味蕾記憶及世代傳承的經典美味，不少攤商一賣就是 30 年以上，這樣的市場小吃，在新型態的通路是不可能找到的。以往市場給大家髒亂黑暗的印象，但第二市場也努力現代化的改變，再加上市府陸續修繕，改造公共空間、天花板，以及找來畫家繪出和市場風格呼應的 3D 彩繪，讓這百年城市的歷史，變得更有看頭。

陽光灑落在這富有歷史人文與現代創意的建築，讓所有市民與造訪旅客得以停下腳步，細細品味專屬台中獨有的文化。我們一如往常的生活在這宜居的城市，新建築與老市場聯手相輔相成地刻劃出一處滿載故事的美味記憶，透過舊時回憶胼手胝足地拼湊呈現出來，氛圍透出無違和感，正是讓我們回味再三的味道。

Stand in front of the tallest building in Taichung and look up: it's as if the silver sail of a proud sailboat were towering over the horizon. But looking down from a bird's-eye view, the building's two curved walls of shimmering glass look like the scales of a fish calmly swimming in this slow-paced city. The unique eye-catching silhouette of The Landis Taichung is a well-known symbol of modern Taichung City.

In the shadows of the modern high-rise buildings of downtown Taichung stands a century-old building: the Taichung Second Market. Countless people returning home from school or work stop here for a meal on their way from the Taichung Railway Station. Others come especially to buy gold jewelry and other fine goods. And at Chinese New Year, the family elders return here to pick up glutinous rice cakes, fruit, produce, and meat for their Lunar New Year celebrations. This is a market that has evolved with the times over the years.

During the period of Japanese rule, the Taichung Second Market was the city center of the city. Considered a high-end market at the time, it offered quality apparels and imported goods to the Japanese and the local businessmen. Inside, the stalls were organized in a hexagonal pattern, like a spider's web.

with interconnected passages, which was popular at the time. In the center of the market stood a six-story, red-bricked hexagonal building. In case of a fire, a large bell in this building would serve as an alarm.

Today, many aspects of the past remain alive and well in the Taichung Second Market. In fact, some vendors have operated here for over 30 years, offering unique snacks that cannot be found in other traditional markets or modern shopping areas. A few years ago, the Taichung Second Market had become dirty and run down. But vendors and management cleaned and modernized the place. The government offered assistance as well, improving public areas, repairing the ceilings, and inviting artists to paint 3D images inspired by the market. Now a visit to this historical market is even more worthwhile.

Today the sun shines bright on this historical yet modern building, inviting locals and visitors alike to stop and appreciate the unique culture and heritage of Taichung. In a city, everyone must live together. Modern buildings and old markets ought to complement each other. We invite you to explore the Taichung Second Market. The classic flavors enjoyed by generations past can be enjoyed today, just a short walk from The Landis Taichung!

亞都麗緻天香樓 看楊光宗如何玩茶飲 | 下 TIEN HSIANG LO IN THE LANDIS TAIPEI CHEF JIM YANG PLAYS WITH TEA | II

圖文提供 / 料理台灣雜誌 No.42

餐茶搭配，巧妙之處在於其味需相互襯映，而亞都麗緻天香樓杭州料理特色清新淡雅，重視食材自身的原汁原味，因此在選用每款餐茶更是斟酌講究，以下邀請您一同探索天香樓行政主廚楊光宗的餐茶搭配之道。

Pairing tea with food is a clever way to accentuate the unique subtle flavors of each, and the combination of these flavors often results in something sublime. Known for being simple, elegant, and spotless, Tien Hsiang Lo in The Landis Taipei aims to showcase the rich, natural flavors of quality ingredients. And so it is when choosing teas to pair with food. But there is much to consider. So join us on a culinary adventure as we explore the techniques and methodology that Chef Yang, executive chef of Tien Hsiang Lo, uses when pairing teas with food.

杭州菜的餐茶搭配 Tea pairing in Hangzhou cuisine

講求清淡口味的杭州菜是天香樓的招牌，輕油輕醬，透過減少油及調料，來引出食材原味。天香樓利用茶飲替原本菜餚增添風味與延續尾韻。

杭州名菜「龍井蝦仁」除了搭配龍井茶，楊光宗也特別推薦青心烏龍與台茶 18 號，選用台茶 18 號是因為其不像東方美人擁有濃厚蜜香，但茶的甘甜又能引出清炒白蝦的鮮味。

長寬各 5 公分正方的五花肉，用蘭草十字型綁著，放進印有天香樓字樣的小陶甕燉煮，是入味不鹹、肥而不膩，擁有濃濃酒香的天香樓招牌菜「東坡肉」。楊光宗建議，若要提升東坡肉滋味與韻味，可以搭配鐵觀音和普洱。他解釋，鐵觀音和普洱屬於重發酵茶，鐵觀音會焙火的香氣則可以呼應東坡肉的香料味，且濃茶有去油解膩效果。

不少中菜會加醋來提鮮添香，像口味帶有酸香和花香味的左宗棠雞，楊光宗認為適合和茉莉花茶或桂花烏龍等花茶類呼應，「反而是料理拉抬飲料的味道。」而西湖醋魚也可以搭配花茶來平衡酸度，讓酸香更柔和。

Emphasizing the light flavors of Hangzhou cuisine is the trademark of Tien Hsiang Lo. Cooking in light oils and seasoning with light sauces allows the unique tastes of the ingredients to come forth. To coax hidden flavors out and to stay true to the essence of the ingredients, Tien Hsiang Lo has specially selected certain teas to enjoy / even substitutes tea for certain ingredients.

"Longjing Shrimp" is a famous Hangzhou dish. In addition to Longjing tea, Chef Yang recommends trying Ruan Zhi Oolong tea or Ruby Red Taiwan No. 18 Tea. He prefers Taiwan Tea No. 18 because it lacks the strong honey fragrance of Oriental Beauty, but still has a sweetness to bring out the umami of fried white shrimp.

"Braised pork belly" is a signature dish of Tien Hsiang Lou. A 5x5cm cut of pork belly bound in cooking twine is gently stewed in a small clay pot emblazoned with the restaurant's name in Chinese characters. It is full-flavored but not too salty, rich with fat but not oily, and reveals a deep shaoxing wine aroma. To further enjoy this classic dish, Chef Yang suggests sipping on a fermented tea such as Tieguanyin or Pu'er. The smoky aroma of Tieguanyin blends beautifully with the braising spices, he explains, and both teas help in cleansing the pork fat from the palate.

Many Chinese dishes call for vinegar. "General Tso's Chicken", for example, gets its sourness and floral aroma from rice vinegar. Chef Yang recommends drinking fragrant teas such as Jasmine or Osmanthus oolong with such dishes. "The food actually helps to

中茶陪襯更添菜餚豐美

杭州名菜「龍井蝦仁」

accentuate the floral aromas of the tea." Fragrant teas also pair nicely with "West Lake Fish in Vinegar Gravy", helping to balance the acidity and soften the sour aroma.

東方美人百搭 Oriental Beauty Oolong tea

餐間茶的部分，楊光宗推薦可以選擇百搭的東方美人，原因是若整款套餐的調味並沒有很厚重，東方美人獨特的熟果蜜糖香，能提升料理口感，味道也不像炭火焙過的鐵觀音這麼濃厚，剛好可以搭配糟香圓鱈魚、鴨肝鮮蔬飯、翡翠時令筍等套餐菜色。煎和牛由於油脂較重，所以楊光宗特別設計香檳茸清湯先解膩，再讓客人喝茶，一般若遇到像這類高油脂菜色，還是需要搭配普洱或鐵觀音為佳。

除了甘潤香醇的東方美人，重韻回甘的凍頂烏龍也是楊光宗認為的百搭茶，原因是凍頂烏龍喉韻十足，入口尾韻清香，略帶澀味又能和油脂類的中菜陪襯。

楊光宗以青茶類、生焙類、重發酵茶類來作為搭餐參考依據：青茶類可以搭配清爽料理與白肉類，例如肴肉；生焙類帶有炭火的焙味，稍微厚重，可以搭配紅燒、煙燻香料的菜餚。重發酵茶如普洱茶、老茶等，可以搭配高油脂、高膠質、重口味的菜色，例如筍絲紅燒蹄膀。

他強調的原則是，發酵愈重的茶，適合口味愈重的菜餚。

主廚楊光宗以茶提升菜餚韻味

For pairing tea with a meal, Chef Yang suggests trying Oriental Beauty oolong. If the meal is not too heavy, the natural fruity aromas and subtle honey-sweetness of Oriental Beauty help enhance the mouth feel and taste. Because it lacks the charcoal smokiness and heaviness of Tieguanyin, Oriental Beauty pairs well with cod, duck liver and vegetable rice, or bamboo shoots. For sautéed beef, which is rich in fat, Chef Yang specially prepares a champagne soup to wash away any oiliness, and then encourages diners to sip Oriental Beauty tea. But in general, high-fat dishes pair best with Pu'er or Tieguanyin.

In addition to Oriental Beauty, Chef Yang suggests Dong Ding oolong. Also known as "icy peak", Tungting tea is known for its pleasant aftertaste and sweet scent. Plus, its slight astringency matches perfectly with more oily Chinese dishes.

Chef Yang generally uses three different types of teas: green teas, roasted teas, and fermented teas. Green teas pair well with light dishes and white meats, such as xiao rou, or pickled pig trotters rolled, pressed and eaten cold. Roasted teas feature a charcoal-like aroma and go nicely with braised or smoked meats. Fermented teas such as Pu'er complement fatty, gelatinous dishes, such as bamboo shoots and braised pig's trotters.

Chef's main rule: fermented teas suit heavier flavors.

餐茶搭配的瓶頸 Tea-pairing bottleneck

餐茶搭配不失中國人傳統，又能提供顧客在餐桌上另一種味覺享受。不過以中餐廳來說，楊光宗也發現，餐搭茶不像葡萄酒可以直接開瓶、醒酒到服務上桌，每款茶品從分量、沖泡到溫度，都有需要注意的地方，要盡善盡美同時顧慮到許多客人是有難度的，「這也是餐茶搭配時會遇到的瓶頸。」

因此除了外場需要專業訓練，預計將來會設計品茶宴。楊光宗更希望未來天香樓的餐茶搭配能夠更加精緻迷人，讓顧客能夠體驗新玩法，或許不久的將來也會有更多的餐廳出現侍茶師。

Tea pairing is not a Chinese tradition. Actually, it is Chef Yang's way to offer a new dining experience. However, he says, specially pairing tea with Chinese cuisine is not as simple as opening a bottle of wine and placing it on the table. Preparation is critical. Precise portioning, brewing time, and temperature are essential. Moreover, the staff has to do this perfectly for dozens of guests at a time. "This is the bottleneck we encounter in tea pairing."

In addition to training wait staff to be tea professionals, Chef Yang is planning special tea pairing events. Going forward, he hopes Tien Hsiang Lo's tea pairing will be more refined and intriguing, giving customers new ways to experience food. Perhaps one day soon, other restaurants will offer tea pairings as well.

The unique flavors are absolutely extraordinary.

炙燒日本和牛生肋眼、防風草根泥、東洋參脆片

Raw Japanese Wagyu Rib Eye Sliced, Parsnip Root Purée, Burdock Chips

Q&A

Q1

為什麼選用日本鹿兒島和牛肋眼？
Why does the chef use wagyu beef from Kagoshima prefecture?

日本鹿兒島和牛肋眼肉質細緻軟嫩、油花分布均勻，紅肉與脂肪的比例完美融合，油潤中帶有肉香，主廚將其切為薄片，經過炙燒後，不僅口感及香氣皆大大提升，也增加整體菜餚的多層次風味。

Wagyu beef from Japan's Kagoshima prefecture is delicate and tender thanks to its evenly marbled fat. In fact, our chef believes it offers the perfect ratio of meat to flavorful fat. Our chef cuts the treasured rib eye into thin slices. A quick blast under the kitchen torch not only enhances the taste and aroma but also increases the level of flavor in the overall dish.

Q2

防風草根是什麼？
What is parsnip root?

防風草根又有歐洲蘿蔔之稱，是一種高營養價值的植物，含有豐富的鉀及碳水化合物，據說在馬鈴薯普及前是歐洲人的主食；風味清新、爽口，非常適合在炎熱的夏季食用。

Also known as the radish of Europe, parsnip root is a highly nutritious plant rich in potassium and carbohydrates. It was a staple food of Europeans before the potato became popular. Parsnip roots have a fresh and refreshing flavor suitable for eating in the hot summer.

Q3

除了水田芥菜之外，還有什麼食材適合製作醬汁搭配？
In addition to watercress leaves, are other ingredients suitable?

因為和牛本身油脂豐富、香氣濃厚，除了選用水田芥菜製作醬料之外，也可以使用新鮮蔥綠，先過水氽燙、加入適量橄欖油一起打成泥，最後再過篩，香氣不會過於強烈，使整道菜餚視覺及味覺都十分和諧。

The fat in Wagyu beef is rich and aromatic. So aside from watercress, most fresh greens would make a suitable sauce. Just blanch the veggies, crush with shallot oil to form a paste, and then run through a sieve. The light color and aroma will make the whole dish visually appealing and taste harmonious.

AN ELEGANT FLORAL DISPLAY WELCOMES YOU

台北亞都麗緻大飯店一直以來秉持「體貼入心、更甚於家」的精神，提供每一位旅客貼心、細膩的服務，期望帶來更甚於家的感動，我們相信，每一位旅客都是獨特的，也因此，當旅客踏入飯店的那一刻，每一位同仁都會把旅客放在心上，在每個當下竭誠服務。除了要以最有溫度的微笑及服務迎接每一位來到亞都麗緻用餐或入住的旅客外，且竭盡所能提供舒適的餐旅體驗，非常能夠吸引目光及傳承經典的就是大廳迎賓的花藝佈置，由隸屬於房務部的花房進行設計佈置，每天從容優雅的展演為貴賓們呈現賞心悅目的空間美學。

楊蓓雯 Summer，是一位總是帶著溫暖笑容的花藝設計師，任職於台北亞都麗緻大飯店十多個年頭，在她巧手設計組合而完成的花藝作品，每天都在大廳迎接從世界各國而來的旅客，依照季節，運用不同的花材原素在一個下午的工作時間內即可快速並完整的為大廳換上不同氛圍的陳列設計，成為旅客們合影留念的重要花藝佈景，而這也就是身著圍裙的蓓雯每天用心尋找花藝設計的工作之一，更多的日常是午後時光，獨自一人在五顏六色的花材圍繞之下，變出一組又一組宴客需求的桌花；記得有次喜宴新娘捧花前一天婚紗公司送到飯店時因未能冷藏保鮮，蓓雯必須在新娘被迎娶前一小時內變出一組一模一樣的捧花，親手交付出去時，心裡只有感謝自己日積月累的花藝工作經驗足以臨時完成這項不可能的任務，對新娘來說最重要的捧花，也能成為一生中重要時刻代表愛的回憶。

玫瑰代表愛情、百合代表純淨與神聖、紫羅蘭代表信任與愛的羈絆，花藝展演的日常就如同每天展演著想要表達與代表的涵義，值得您來發掘這些幸福的註解與呈現。

展演優雅花藝，是每天日常

Always adhering to the spirit of "home away from home", The Landis Taipei provides every visitor with the kind of meticulous and caring service that makes them feel the comfort and relaxation of home. We believe that each and every guest is unique. Therefore, the moment a guest enters the hotel, each associate puts the guest in their heart and looks after them in every moment. Whether here for accommodation or for an amazing dining experience, we welcome each visitor with the warmest smile and service. But even more, The Landis Taipei lobby always features an elegant floral arrangement that welcomes each of our cherished guests.

Our in-house floral designer, Summer, has worked at The Landis Taipei for more than 10 years. Known for her warm smile, she puts her heart and soul into designing floral arrangements for our hotel lobby. Every day her beautiful bouquets welcome guests from around the world. Each afternoon, she swiftly selects seasonal flowers to create spectacular arrangements that completely change the lobby atmosphere. All day long, hotel guests and visitors pose for group photos in front of these sophisticated

and graceful creations. Wearing her apron, Summer diligently tends to her floral design work. Alone and surrounded by colorful flowers, she meticulously arranges custom bouquets for banquet tables.

One time, Summer recalls, the bridal bouquet was sent to the hotel the night before a wedding banquet. When she arrived at work the next day, she realized it had not been properly stored and the flowers had wilted. She had just one hour before the wedding to create an identical bouquet. It seemed an impossible task. But thanks to her many years of experience, she was able to perfectly replicate the bouquet for the bride. More than a bundle of flowers, the bride's bouquet signifies one of the most important moments in her life.

Roses represent love. Lilies represent purity. Violets represent trust and affection. Similarly, a floral arrangement expresses numerous emotions and desires. It is worth stopping to ponder the subtle messages communicated by a simple bouquet of flowers. As they say, don't forget to stop and smell the flowers.

烏來璞石麗緻 PAUSE LANDIS WULAI

暖身・暖心

來趟體感 100°C 溫馨之旅！

WARM THE BODY, WARM THE HEART JOURNEY TO WULAI AND RELAX IN A 100°C HOT SPRING!

一份留存的感動，如同烏來的溫泉，暖身亦暖心。
Hot spring bathing in Wulai, warm the body and the heart.

「歡迎您！」踏入烏來璞石麗緻，迎來櫃檯員親切的招呼聲，以及世外桃源般的優雅景緻。烏來的溫泉特色，無色且無刺鼻味，於大眾湯區，更設有蒸汽室和烤箱等設備，亦貼心提供盥洗用品及保養品客人使用，先天的條件加上體貼入微的服務，始終是烏來璞石許多常客們的渡假首選。

某次，常客張太太全家三代再次入住烏來璞石，與櫃檯員如家人般的彼此招呼關心著近況，同時快速的辦理入住，張太太非常喜愛烏來的溫泉，隔日一大早家人都先到餐廳用餐，仍是先前往使用大眾湯，房務員親切招呼並提醒張太太要記得吃點東西再泡湯，以免血糖不足，造成暈眩。過一陣子，聽到其他客人呼喊著：「有人昏倒了！」房務員立即趕到現場查看，驚覺發現是張太太，房務員輕拍呼喊著，第一時間為避免受寒，趕緊拿浴巾將身體包覆保暖，並將張太太移置通風空曠處及即時聯繫救護車與家人，張太太緩緩恢復意識睜開雙眼，輕輕地說道：「怎麼昏倒了？不好意思讓大家擔心了。」待救護車抵達後，媳婦陪同乘坐救護車下山就醫檢查，而張先生和兒子以及年幼的孫子則先回房間整理行李。

辦理退房時，張先生開玩笑地說道：「你們看，她就是這麼愛烏來的溫泉，連早餐都排在泡湯後，真的非常感謝璞石麗緻所有人員的緊急危機處理。」櫃檯員遞上為張太太貼心準備好的早點，此次入住雖驚魂一場，卻也讓張先生及張太太一家因服務人員的危機應變及貼心，留下深刻感動並在離開前還特別點頭頻頻說道：「我們下次見！」

堅持著提供最佳的服務，並為其所感動著，我們亦將持續每時每刻以「體貼入心，更甚於家」對待珍貴家人的心，在烏來璞石麗緻溫泉會館迎來每位重要貴賓。

"Welcome!" the reception desk says kindly as you walk into the elegant and peaceful lobby of the Pause Landis Wulai. The natural hot spring waters of Wulai are unique for being colorless and odor-free. Billowing with steam, our communal hot spring area features a steam room and sauna. We also provide toiletries and skin care products for guests. In addition to superior amenities, our considerate staff is always there to take care of you. This combination of facilities and

service is why so many people make Pause Landis Wulai their first choice for a holiday getaway.

A few months ago, the Chang clan stayed with us, bringing their children and grandchildren. The family matriarch, Mrs. Chang, loves Wulai's hot springs very much and is a frequent visitor to the Pause Landis Wulai. Upon arrival, they chatted with the counter staff like old friends, then checked into their rooms. The next morning, the family came down for breakfast, but Mrs. Chang headed to the hot spring baths first. The hotel staff greeted Mrs. Zhang and reminded her to eat something before getting in the hot water to avoid fainting from low blood sugar. She smiled and got in the water. A bit later, someone shouted: "Help! Someone just fainted!" The hotel staff immediately rushed to the scene to see Mrs. Chang passed out. They patted her shoulder, asking if she was fine. They quickly moved her to an open area and wrapped her in a towel to keep her warm while the desk called for an ambulance and contacted her family. Mrs. Chang slowly regained consciousness and opened her eyes. She said softly: "Did I faint? Sorry to worry everyone." An ambulance arrived and Mrs. Chang's daughter-in-law accompanied her to the hospital. Mr. Chang, his son and young grandson returned to their room to pack their luggage to leave.

As they checked out, Mr. Chang joked: "You see? She loves your hot springs even more than breakfast!" Then he said, "Thank you all very much! We are truly grateful to all the staff at Pause Landis Wulai for their help in this emergency situation." Then the staff handed Mr. Chang a breakfast they had specially prepared for him to take to his wife. Although their visit hadn't gone as planned, the Chang family was deeply moved by the quick response and concern of the staff. As they left the hotel to be by Mrs. Chang's side, they said, "See you again soon!"

Committed to providing every guest with superior service, we always work from the heart to make every moment here feel like your home away from home. We welcome everyone who visits the Pause Landis Wulai Hot Spring Resort, treating them as our important guest.
